MEMORANDUM FOR: Acting Deputy Director for Science and Technology

FROM:

Director, Foreign Broadcast Information Service

SUBJECT: Revision to Office Business Areas

REFERENCE: Your Memo, dtd 15 Nov 85, Same Subject

In response to your request for a fresh look at the office business areas, I feel that FBIS business should be defined by three areas: field collection, domestic exploitation of foreign media, and media analysis.

I do not believe that the amount of foreign language support FBIS provides to Agency offices warrants separate identification as a business area. In particular such a definition could lead to misleading Portfolio Analysis results.
